

TEXAS INDUSTRY PROFILE

Crop Production
NAICS 111 (Private Industry Only)

Industry Description

Industries in the Crop Production subsector grow crops mainly for food and fiber. The subsector comprises establishments, such as farms, orchards, groves, greenhouses, and nurseries, primarily engaged in growing crops, plants, vines, or trees and their seeds. The industries in this subsector are grouped by similarity of production activity, including biological and physiological characteristics and economic requirements, the length of growing season, degree of crop rotation, extent of input specialization, labor requirements, and capital demands. The production process is typically completed when the raw product or commodity grown reaches the "farm gate" for market, that is, at the point of first sale or price determination.*NAICS 1111 (Oilseed and Grain Farming) 1112 (Vegetable and Melon Farming) 1113 (Fruit and Tree Nut Farming) 1114 (Greenhouse, Nursery, and Floriculture Production) 1119 (Other Crop Farming).
