

# TEXAS INDUSTRY PROFILE

Other Information Services  
NAICS 519 (Private Industry Only)

## Industry Description

Industries in the Other Information Services subsector group establishments supplying information, storing information, providing access to information, and searching and retrieving information. The main components of the subsector are news syndicates, libraries, and archives. The industry comprises establishments primarily engaged in supplying information, such as news reports, articles, pictures, and features, to the news media. Also comprises establishments primarily engaged in providing library or archive services. These establishments are engaged in maintaining collections of documents (e.g., books, journals, newspapers, and music) and facilitating the use of such documents (recorded information regardless of its physical form and characteristics) as are required to meet the informational, research, educational, or recreational needs of their user. These establishments may also acquire, research, store, preserve, and generally make accessible to the public historical documents, photographs, maps, audio material, audiovisual material, and other archival material of historical interest. All or portions of these collections may be accessible electronically. \*NAICS 5191 (Other Information Services).
