Funds, Trusts, and Other Financial Vehicles
NAICS 525 (Private Industry Only)

Industry Description

Industries in the Funds, Trusts, and Other Financial Vehicles subsector are comprised of legal entities (i.e., funds, plans, and/or programs) organized to pool securities or other assets on behalf of shareholders or beneficiaries of employee benefit or other trust funds. The portfolios are customized to achieve specific investment characteristics, such as diversification, risk, rate of return, and price volatility. These entities earn interest, dividends, and other property income, but have little or no employment and no revenue from the sale of services. *NAICS 5251(Insurance and Employee Benefit Funds) 5259 (Other Investment Pools and Funds).
