

# TEXAS INDUSTRY PROFILE

Management of Companies and Enterprises  
NAICS 551 (Private Industry Only)

## Industry Description

Industries in the Management of Companies and Enterprises subsector include three main types of establishments: (1) those that hold the securities of (or other equity interests in) companies and enterprises; (2) those (except government establishments) that administer, oversee, and manage other establishments of the company or enterprise but do not hold the securities of these establishments; and (3) those that both administer, oversee, and manage other establishments of the company or enterprise and hold the securities of (or other equity interests in) these establishments. Those establishments that administer, oversee, and manage normally undertake the strategic or organizational planning and decisionmaking role of the company or enterprise. \*NAICS 5511 (Management of Companies and Enterprises).
