

TEXAS INDUSTRY PROFILE

State Government

Industry Description

State government consists of establishments of state government agencies that administer, oversee, and manage programs and have executive, legislative, or judicial authority over other institutions within a given area. These agencies also set policy, create laws, adjudicate civil and criminal legal cases, provide for public safety and for national defense. State government establishments typically are engaged in the organization and financing of the production of public goods and services. State government establishments also engage in a wide range of productive activities covering individual goods and services. "State Government" is not a NAICS sector but an ownership category produced by the size-class breakdown which covers the ownership category of State Government regardless of NAICS code or sector. *NAICS 921 (Executive, Legislative, and Other General Government Support), 922 (Justice, Public Order, and Safety Activities) 923 (Administration of Human Resource Programs) 924 (Administration of Environmental Quality Programs) 925 (Administration of Housing Programs, Urban Planning, and Community Development) 926 (Administration of Economic Programs) 927 (Space Research and Technology) 928 (National Security and International Affairs).
